6. **REPORTS TO COMMITTEE**

6.1 Outsourcing Payroll

Members received an updated report on outsourcing the Town Council's payroll provision. Members queried the need to use a fax machine to transmit payroll data and did the software need updating. The Clerk reported that it's Sage, which is cloud-based. The Town Clerk reported that it is also a business continuity issue to outsource payroll as there is only

one officer at present that undertakes this role. Members felt that this could be covered by the Town Clerk undertaking training in the software package. Members didn't agree that the Finance Officer needed to plan their holiday around payroll processing when all staff are salaried with very little overtime to be calculated and the Officer should be scheduling their work more efficiently. It was **RESOLVED** that:

- a) The Town Clerk should undertake payroll training and cover the Finance Officer to enable them to take annual leave.
- b) An alternative system which doesn't need to use a fax machine should be investigated.

6.2 Financial Regulations

Members received the updated Financial Regulations and were advised that following advice from the County Association, item 1.7 should be deleted. Item 6.8 was updated to increase the limit to £3,000 (item i) and £5,000 (item ii). Clarification was sought regarding petty cash. Following other minor typographical errors being updated, it was **RESOLVED** to:

Recommend the adoption of the Financial Regulations to Full Council.

6.3 Appointment of Internal Auditor

Members received quotations for the appointment of an internal auditor. Members queried why the proposed internal auditors were not based locally and were advised that it is about having an internal auditor who is suitably competent to undertake the role. The Clerk had used the Internal Auditing Services website to obtain these quotations.

It was RESOLVED to recommend to Full Council to:

Appoint Parish and Town Auditing Services as the Town Council's Internal Auditor for 1 year, with an option to extend to 3 years in total at a cost of £700 per annum.

6.4 Asset Management Policy

Members received a proposed policy for the management of the Town Council's assets including the asset register. Members questioned the disposal of assets and why they had to be kept on the register. The de minimis level for the inclusion of assets onto the asset register was then considered to be too high at £250 and it should be lower. Members considered it was important to have an accurate asset register to assist with ensuring adequate levels of insurance.

It was RESOLVED to:

- a) Amend the Asset Management Policy to include removing disposed assets after 7 years and set the de minimis level at £100.
- b) Recommend its adoption to Full Council.

The Performance Management Policy is adopted.

6.8 IT Services Contract

Members received quotations for the Council's IT services contract. It was noted that the current IT contract was for only one year and following a review of all contracts Officers felt it would be beneficial to have a more stable approach. It was noted that there was no control over Microsoft licence increases.

It was RESOLVED to:

Award the IT services contract to SMG at an annual cost of £12,861.60 subject to licence increases for a period of two years.

6.9 Telephone Provision

Members received quotations for the telephone provision for the Town Council. Members considered the accessibility of Officers when working remotely or in the field and the benefit of a Teams based option. It was **RESOLVED** to:

Award the Telephony Contract to CloudyIT at a cost of £1,476 per annum.

6.10 Internet Service Provision

Members received a report on the provision of internet to the Greenacre Centre. It was **RESOLVED** to:

Award the Internet Service Provision to IBT at a cost of £600 per annum.

6.11 Christmas Office Operation

Members received a report with a proposal for the hours of operation of the Town Council during the Christmas holidays. Members felt that this was a reasonable allocation of concessionary days, and it was **RESOLVED** to:

Note the Christmas operational days of the Greenacre Centre.

6.12 Bank Reconciliation

Members noted the bank reconciliations for May and June were now available for signing. With the adoption of the new Financial Regulations the Councillors cannot be existing bank signatories. It was **RESOLVED** that:

1. INTRODUCTION

The Town Council's Scheme of Delegation is an essential policy to enable the Town Council to run effectively and efficiently. Without this, every decision would have to be taken by the Full Council. Decision making powers are given to both Committees and Officers to enable the Town Council to react to circumstances and operate effectively.

Power cannot be legally delegated to individual Councillors or Working Parties.

Working Parties are ordinarily established to investigate and/or review particular matters then report back to the relevant committee or Full Council with its findings, which may include recommendations.

This Scheme of Delegation forms part of the Council's Financial Regulations and Standing Orders and will be reviewed annually or earlier, for example when there are staffing changes.

One of the purposes of the document is to clearly define the parameters within which Officers of the Council are able to act without reference to Members.

Where consultation with others is a requirement of the ability to act it is clearly set out with whom the consultation should take place.

Any deviation from this scheme should be reported to Council at the earliest opportunity with an explanation of the circumstances in which the deviation occurred.

The other purpose of the document is to capture the various delegated powers throughout the Council, including those delegated by the Council to its various committees. This element of the scheme incorporates the Terms of Reference of the committees.

- c) Any arrangements made by a local authority or committee under this section for the discharge of any functions by a committee, subcommittee, officer or local authority shall not prevent the authority or committee by whom the arrangements are made from exercising those functions.
- d) Two or more local authorities may discharge any of their functions jointly and, where arrangements are in force for them to do so, they may also arrange for the discharge of those functions by a joint committee of theirs or by an officer of one of them and subsection (2) above shall apply in relation to those functions as it applies in relation to the functions of the individual authorities.

Guidance notes on completing Form 3 of the Annual Governance and Accountability Return (AGAR) 2023/24

- The authority **must** comply with *Proper Practices* in completing Sections 1 and 2 of this AGAR. *Proper Practices* are found in the *Practitioners' Guide** which is updated from time to time and contains everything needed to prepare successfully for the financial year-end and the subsequent work by the external auditor.
- Make sure that the AGAR is complete (no highlighted boxes left empty) and is properly signed and dated. Any amendments must be approved by the authority and properly initialled.
- The authority **should** receive and note the Annual Internal Audit Report before approving the Annual Governance Statement and the accounts.
- Use the checklist provided below to review the AGAR for completeness before returning it to the external auditor by email or post (not both) no later than 30 June 2024.
- The Annual Governance Statement (Section 1) must be approved on the same day or before the Accounting Statements (Section 2) and evidenced by the agenda or minute references.

- Make sure that the copy of the bank reconciliation to be sent to your external auditor with the AGAR covers all the bank accounts. If the authority holds any short-term investments, note their value on the bank reconciliation. The external auditor must be able to agree the bank reconciliation to Box 8 on the accounting statements (Section 2, page 5). An explanation must be provided of any difference between Box 7 and Box 8. More help on bank reconciliation is available in the *Practitioners' Guide**.

Section 3 – External Auditor's Report and Certificate 2023/24

In respect of

Stotfold Town Council

1 Respective responsibilities of the auditor and the authority

Our responsibility as auditors to complete a **limited assurance review** is set out by the National Audit Office (NAO). A limited assurance review is **not a full statutory audit**, it does not constitute an audit carried out in accordance with International Standards on Auditing (UK & Ireland) and hence it **does not** provide the same level of assurance that such an audit would. The UK Government has determined that a lower level of assurance than that provided by a full statutory audit is appropriate for those local public bodies with the lowest levels of spending.

Under a limited assurance review, the auditor is responsible for reviewing Sections 1 and 2 of the Annual Governance and Accountability Return in accordance with NAO Auditor Guidance Note 02 (AGN 02 as issued by the NAO on behalf of the Comptroller and Auditor General. AGN 02 is available from the NAO website – https://www.nao.org.uk/code-audit-practice/guidance-and-information-for-auditors/.

This authority is responsible for ensuring that its financial management is adequate and effective and that it has a sound system of internal control. The authority prepares an Annual Governance and Accountability Return in accordance with *Proper Practices* which:

- summarises the accounting records for the year ended 31 March 2024; and
- confirms and provides assurance on those matters that are relevant to our duties and responsibilities as external auditors.

2 External auditor's limited assurance opinion 2023/24

On the basis of our review of Sections 1 and 2 of the Annual Governance and Accountability Return, in our opinion the information in Sections 1 and 2 of the Annual Governance and Accountability Return is in accordance with Proper Practices and no other matters have come to our attention giving cause for concern that relevant legislation and regulatory requirements have not been met.

Other matters not affecting our opinion which we draw to the attention of the authority:

We were required to return the Annual Governance and Accountability Return to enable the Council to correct the following:

A. Fixed assets at Box 9 was initially incorrect because acquisitions during the year were not valued on the correct basis.

In future the Council should ensure that the Annual Governance and Accountability Return is accurate and complete.

3 External auditor certificate 2023/24

We certify that we have completed our review of Sections 1 and 2 of the Annual Governance and Accountability Return, and discharged our responsibilities under the Local Audit and Accountability Act 2014, for the year ended 31 March 2024.
