“[name], [address], [date]

Dear [name of data subject]

Data Protection subject access request

Thank you for your letter of [date] making a data subject access request for [subject].

I regret that we cannot provide the personal data you requested. This is because [explanation where appropriate].

[examples include where one of the exemptions under the data protection legislation applies. For example, the personal data might include personal data which is ‘legally privileged’ because it is contained within legal advice provided to the Council or relevant to ongoing or preparation for litigation. Other exemptions include where the personal data identifies another living individual or relates to negotiations with the data subject. Your Data Protection Officer will be able to advise if a relevant exemption applies and if the Council is going to rely on the exemption to withhold or redact the data disclosed to the individual, then in this section of the letter the Council should set out the reason why some of the data has been excluded].

Yours sincerely”
